

CALLING ALL ELVES!

Join us for our holiday Gift Wrapping Parties! Your help is needed to spread Joy and cheer this Christmas season Throughout the community!

The Christmas Gift Giving project's main focus is on unadulterated giving. It is about gifting others, total strangers, just to spread joy and kindness. We collect donated "gently used items" or even new items all year long that people no longer need. We take those gifts and turn them into new gifts that can be gifted to people throughout the Albuquerque community. On one special weekend in December, we all go out into the community and give gifts away to people!! Each gift receives a card (pictured above) that says *"You've Just Been Tagged By An Anonymous Gift Of Kindness...Continue The Chain and Pass A Gift Of Kindness On."*

The best descriptions of the Christmas Project can be found on the Gift Giving Stories on this website. Click on the tab to read people's experiences both in being the giver and recipient of these surprise gifts at Christmas time. www.giftgiversanonymous.org

We have enough items to make about 400 gifts and we need your help!

Please contact **Kalei Heartland (505) 504-5222** if you have any questions or you want to help up with this project. *Many elves are needed to help us reach our goal!*
